

COLON CANCER COALITION

Our mission is to ensure that all citizens have adequate information and access to screening for colorectal cancer. We are working towards this goal by:

- Establishing a Get Your Rear in Gear event in every US state.
- Working with local and national businesses, health organizations, media, and survivors and their families and friends to help save lives by raising awareness through these events.
- Assisting local organizers in directing funds raised at Get Your Rear in Gear events to the best local programs to fulfill the mission.

Net proceeds from the Central Minnesota Get Your Rear in Gear event will be invested in the Hind-Site fund, hosted by CentraCare Foundation, to fund colon cancer education, screening, and the promotion of complementary medicines

Doug Randolph is the chair of the new Central Minnesota Get Your Rear in Gear Fun Fest that will benefit the Hind-Site fund that he created. Doug has lived in the St. Cloud area for over 30 years. Shortly after his 51st birthday, Doug's colonoscopy and subsequent surgery revealed Stage 4 colon cancer. As he undergoes treatment, Doug wants to help others with colon cancer and remind everyone how important screening can be to preventing this cancer. Read more about Doug at www.caringbridge.org/visit/drandolph.
