

**Team Betty Boop Fundraiser  
Joe Senser's Restaurant  
2350 Cleveland Ave  
Roseville, MN 55311 US**

**When: Saturday, May 1, 11:00am – 2:00pm Phone: 612-619-2203**

It's time for my annual Get Your Rear in Gear colon cancer walk fundraiser! Proceeds will be raised for Team Betty Boop in memory of my Mom, Betty Waldherr. My Mom lost her 4 year battle with colon cancer on 9/19/09, so this year's fundraiser is even more near and dear to my heart. My Mom was SO excited with the large turnout at last year's fundraiser so I know she would be even more excited to see this year's bigger! Proceeds will be raised for Team Betty Boop for the 2010 Get Your Rear in Gear walk and donated for colon cancer research, treatment and support. My Mom was able to be at last year's walk and I know she will be with us this year sending sunshine down upon us!

I will have a large display of Silpada Designs jewelry along with the newly released Spring collection. I will also have **LIVE** Silpada models walking around so you can get an even better idea of how beautiful the jewelry looks on. All orders will be placed the evening of May 1st. If you are unable to attend & would like to place an order, please contact me direct at 612-619-2203 or email me at [taisadiedrich@msn.com](mailto:taisadiedrich@msn.com). You can view the online catalogs at [www.mysilpada.com/taisa.diedrich](http://www.mysilpada.com/taisa.diedrich).

Appetizers and non-alcoholic beverages will be provided and fun is guaranteed!!

Please help me to make this year's fundraiser an even bigger success!

See you on May 1st!

As always, with much gratitude,

Taisa
